The bark Kajulani will begin load-The steamer Mikahala arrived from Kauai ports yesterday morning.

The Niihau sails for Honokaa and Kukuihaele this evening at 5 o'clock The Waialeale will sail this evening at five o'clock for Maui and Hawaii

ports. The Claudine arrived early yesterday morning with a good-sized passen-

ger list from Maui ports. There has been a lot of talk on the waterfront on the possibilities of a race between the Kinau and the Mauna Loa

All the steamers of the Inter-Island Steamship Company were in the harbor yesterday. This does not occur The bark Andrew Welch is about due

at this port. She is now out seventeen days from San Francisco with a general cargo for Brewer & Co.

It is possible that the City of Peking from San Francisco will make port tomorrow evening, but she is hardly expected until Wednesday morning.

The Ventura is due from the Colonies early tomorrow morning. She will carry a large number of passengers from this port if she has the accommo-

as they leave on their runs tomorrow at the same time. There are rumors of bets being made which the Wilder men wont' touch. The likelihood is that there will be no race although the Mauna Loa may let out a link or two in the way of bait. There never can be a really good test of both boats, if a contest was ever entered into, until beth are given an overhauling at the same time. As it is the people on the newly cleaned boat have an opportunity to offer bets on races until the other boat receives a cleaning in the course of time, when most of the bets are hastily withdrawn.

You Vever Know the Moment When this Information may Prove of Infinite Value

(From the Sydney, N. S. W., Herald.) It is worth considerable to any citizen of Honolulu to know the value and use of a medicine, for if there is no occasion to employ it, in the meantime, frail humanity is subjected to so many influences and unforseen contingencies that the wisest are totally unable to gauge the future. Know then that Doan's Ointment will cure any case of hemorrhoids, commonly known as piles, or any disease of the cuticle or skin, generally termed eczema. One application convinces-a continuation cures. Read this proof:

Mr. William Gilliver, of the wellknown firm of Gilliver & Curtis, railway and general contractors, and whose private address is "Avoca," Bankstown, a suburb of Sydney, N. S. W., has written the following unso-S. K. Kaili, M. F. Prosser, C. W. Ash- licited letter, which we herewith pub-

St., Sydney, N. S. W., February 14,

Dear Sirs:-In justice to you and July 19.—Geo. Pecht, Dr. W. G. Rogers, suffering humanity I write to say that Miss Scott, Mrs. R. R. Weir, I. Kao- I suffered from itching piles for 22 years. I tried many doctors and pretty well all kinds of patent medicines, but got relief for a short time only. Seeing your Ointment advertised, I bought a pot and did not use more than one-Ogata, Chang Chow, Sing You, Chung am perfectly cured. You may use this half of it, not six months ago, and I Yours gratefully,

WILLIAM GILLIVER. Doan's ointment is sold by all dealers at 50 cents per box or will be mailed on receipt of price by the Hollister Drug Co., Honolulu, agents for the Hawaiian Islands.

#### Some Letters of Introduction.

This will introduce my chauffeur, who is leaving me for a little muchneeded rest. He is a good man in every respect. While in my employ, he ran over two or three ordinary people every day and smashed no end of vehicles of every description. But such was his devotion to my best interests that he almost always escaped unrecognized. He is absolutely reckless in his profession, and any wealthy man wishing to have some good sport will find him invaluable.-A. SLASHER.

I can cordially recommend the bearer as a competent cook and fine laundress. She is willing and obliging, and perfect in any way. She was in my employ from four o'clock Saturday afernoon to eight o'clock Sunday morning .- MRS. POTTS .- Life.
